Florida Divorce Professor's Crash Course on Florida Divorce Law Everything You Need to Represent Yourself in a Florida Divorce Case

One simple step-by-step course is all you need to learn what you need to get through the court process AND help your kids.

You'll discover everything about:

- The People, Processes & Paperwork of Florida Divorce
- The Road Map for Florida Divorce, including all the short cuts and detours and when to take them
- The Rules of the Road for Florida Divorce
- Going to Court - and Beyond

When you enroll in the Crash Course, you'll receive:

- A 6 Module Home Study course
- E-Guide covering all areas of Florida Divorce Law & Procedure
- All the self-help forms - and some from my own Law Office
- Plain English Instructions
- The DIY Parenting Plan
- The DIY No-Math Financial Affidavit and
- Tons of Bonus Articles so you know what your kids need

This system guides you through the entire divorce process - from telling your kids about the divorce to what to do after final judgment.
